- **Boiler wattage :** 1370 W
- **Start-up time:** 2 minute(s)

Weight and dimensions

- **Dimensions:** L 445 x W 245 x H326 mm
- **Weight:** 6.6 kg
- **Pallet:** tbd pcs

Product highlights

Auto Calc-Clean function

The Auto Calc-Clean function automatically cleans your ironing system of scale. A two-minute scale removal cycle is activated automatically when it is time to clean your system. All you have to do is empty the detachable rinse tank. It keeps your system as new and powerful as the day you bought it.

Ergonomic iron

The ergonomic design of the iron facilitates comfortable ironing by putting less strain on the wrist. The upwardly sloping handle ensures a natural position reducing strain during ironing. The iron design also prevents the repetitive movements caused by placing an iron on its heel.
